Yosemite National Park
Wilderness Trailheads

Yosemite Trailheads Map
Wilderness hikers must camp in the area indicated on the map for their corresponding trailhead.
- Colored lines and arrows indicate direction of travel for each trailhead.
- Hikers must at least hike to the arrow or point before camping.
- If point is shown hikers must camp at point.
- Hikers may not backpack to one trailhead to another trailhead on any night of their trip.
- Hikers must camp in the area indicated for each trailhead and their wilderness trip.
- Hikers may not pass through Yosemite Valley or a single wilderness permit.

Wilderness permit stations:
- North Entrance
- South Entrance
- Ranger station
- Campground
- Gas station

Scale: 1 mile = 1 inch

For Twin Lakes, Green Creek, and Virginia Lakes obtain permits from Inyo National Forest: (760) 873-2485
